GEOGRAPHY
HIGHER LEVEL AND STANDARD LEVEL
PAPER 2 – RESOURCES BOOKLET

Tuesday 18 November 2014 (morning)

INSTRUCTIONS TO CANDIDATES

- Do not open this resources booklet until instructed to do so.
- Use the resources as appropriate to the questions in paper 2.

Option A — Freshwater – issues and conflicts

2. The photograph shows the course of a river that flows into a lake.

[Source: ©International Baccalaureate Organization 2015]

Option C — Extreme environments

5. The photograph shows a hot, arid landscape.

[Source: The American Southwest, www.americansouthwest.net]

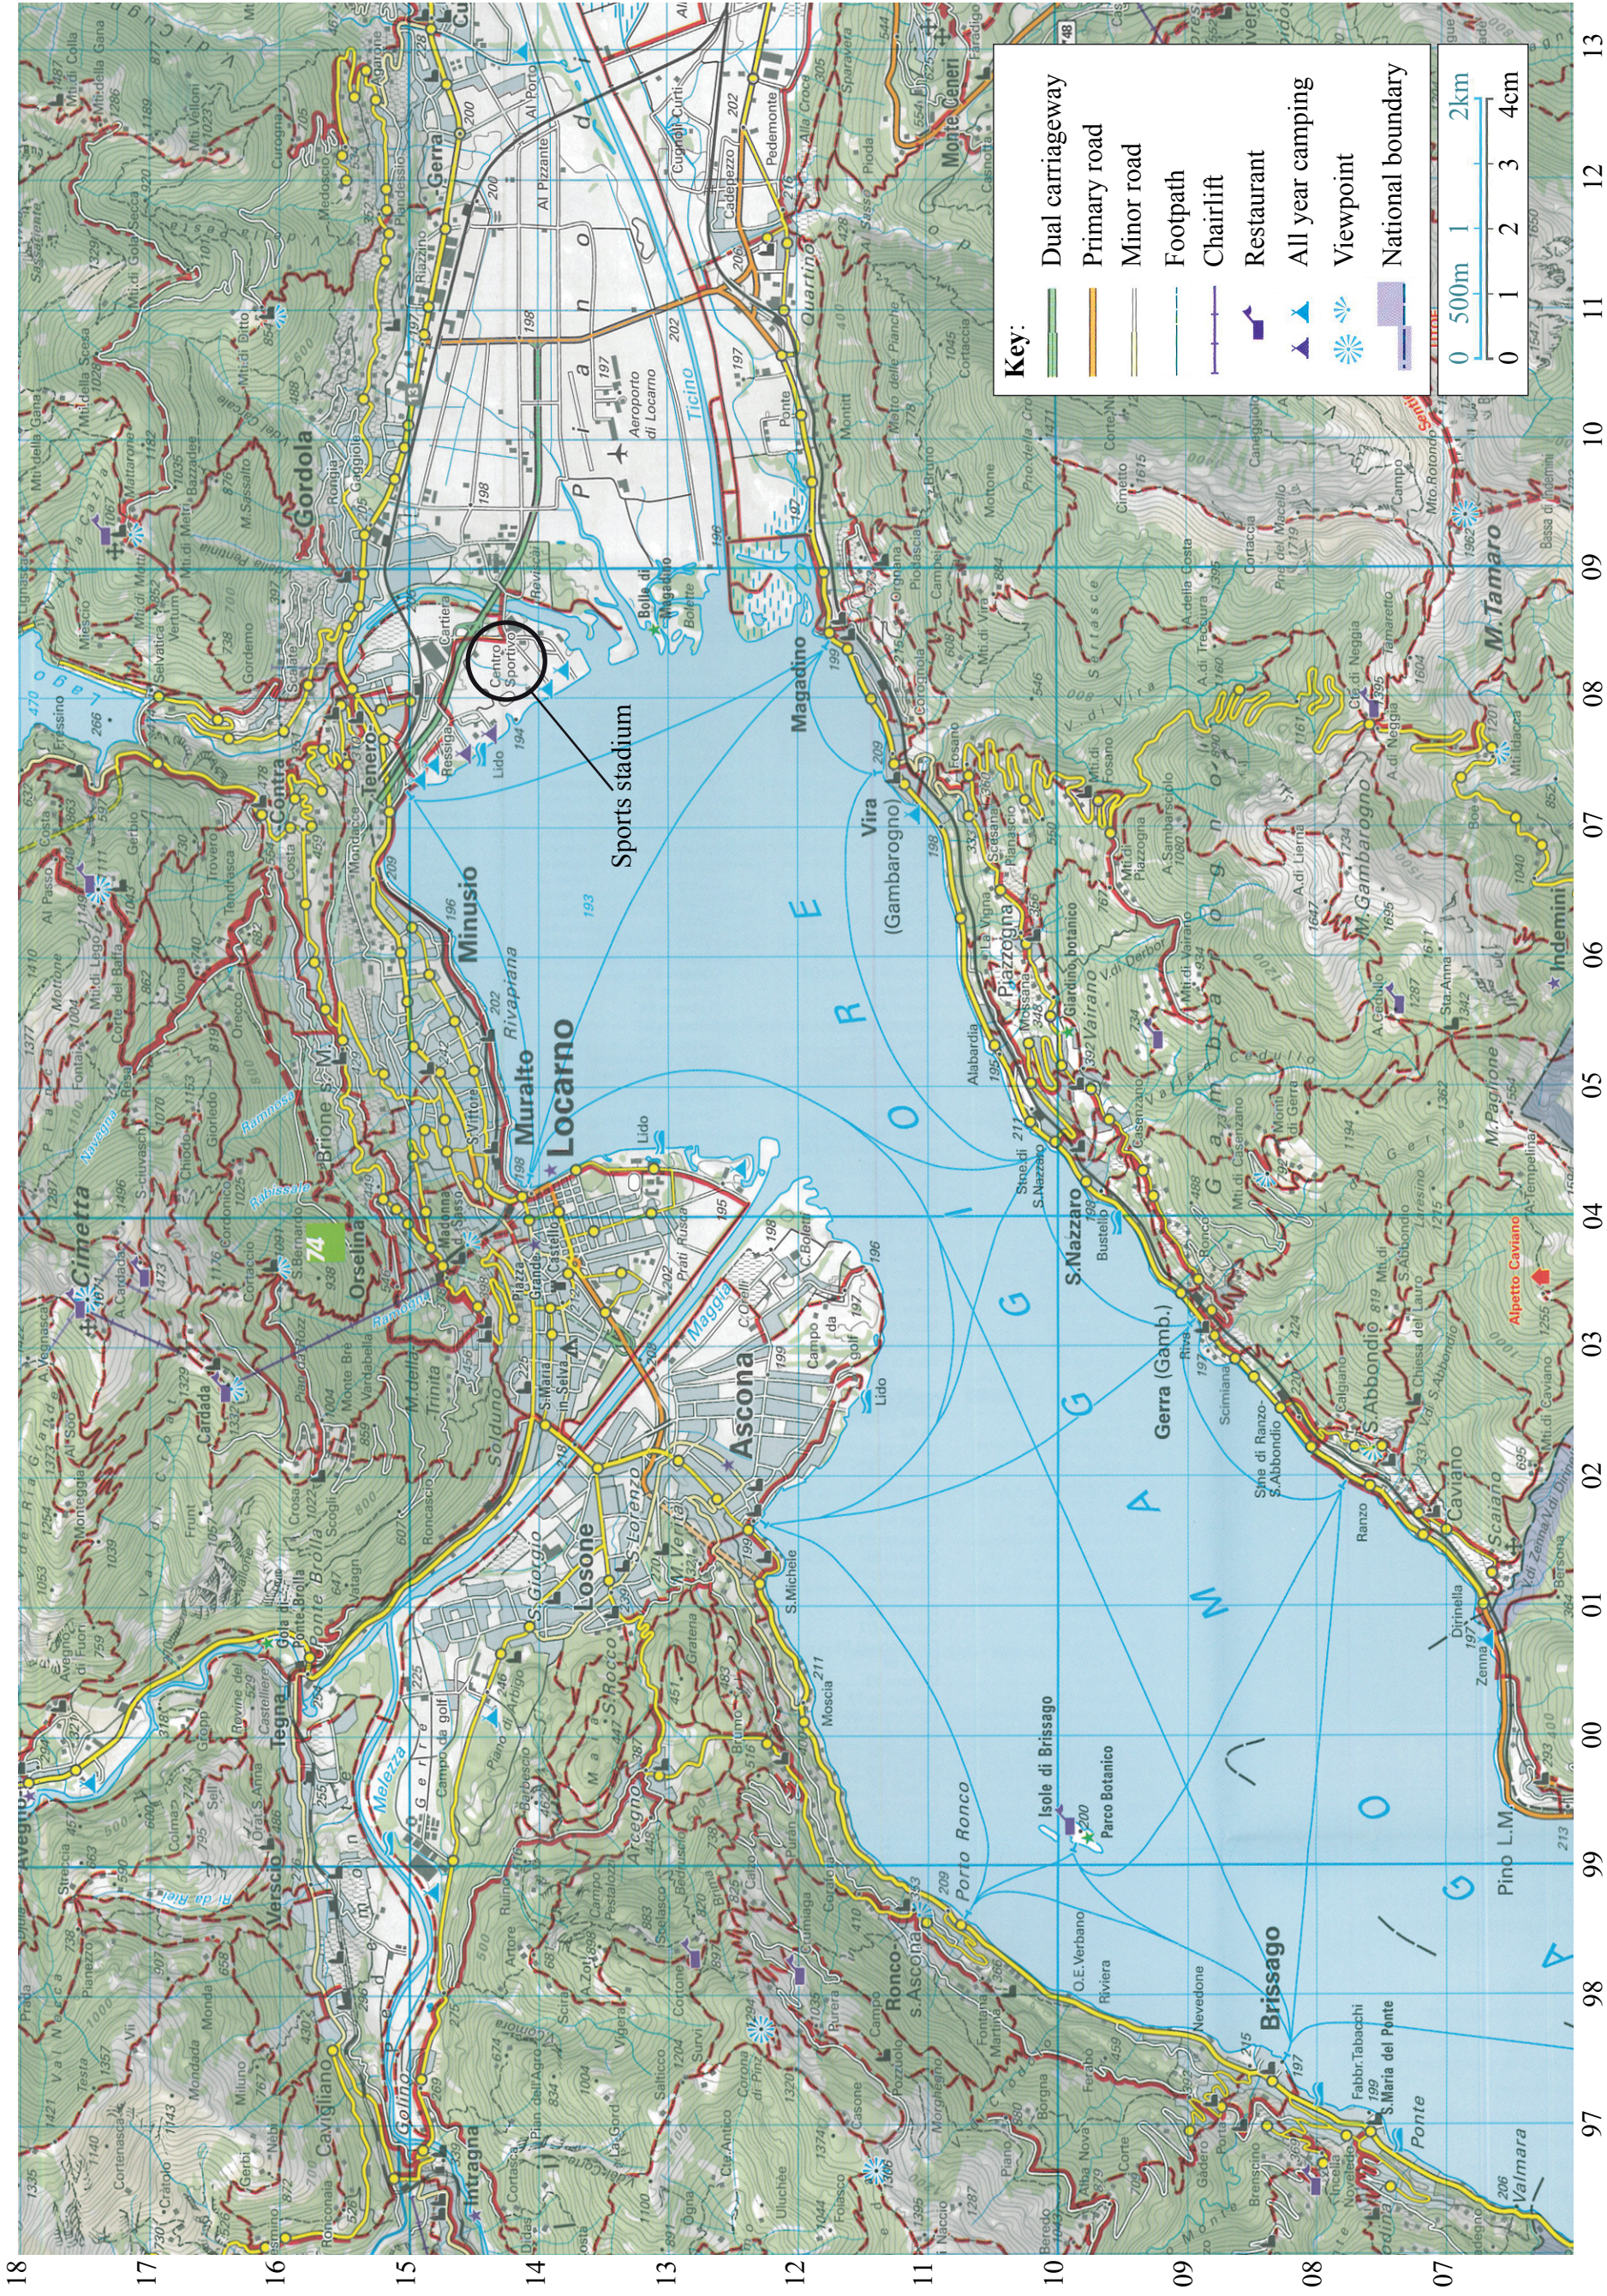

6. The climate graph is of Arkhangelsk (64°N, 60°E), a periglacial area in northern Russia.

[Source: www.arkhangelsk.climateemps.com]

Option E — Leisure, sport and tourism

10. The map shows the area around Locarno in southern Switzerland. The scale of the map is 1:50 000 and the contour interval is 25 metres.
